My attorneys have confirmed that these draft documents are releasable under FOIA anyway.

I will not respond to the CPG e-mail until I hear from you that you have no concerns.

FYI: Just a heads up that I received this request. I am double checking with my attorneys about releasing draft documents, but I suspect that they will tell me that all of your submittals are publicly releasable under FOIA anyway.

I will let you know what the attorneys say and what we do to respond to this request. If you have concerns about this, please let me know.

Alice:

Did OCC/GSH deliver the Project Management Plan (PMP) and Remedial Design Work Plan (RDWP) on January 17 as scheduled?

The CPG requests that EPA forward the draft PMP and RDWP to the CPG.

Thank you.
